General Land Office

Mineral Certificate

No.

No.

Pueblo 01975.

## The United States of America,

To all to whom these presents shall come, Greeting:

Whereas, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of survey and the Certificate, No. 01975, of the Register of the Land Office at Pueblo, in the State of Colorado accompanied by other evidence whereby it appears that Frank V. Teter

did, on the tenth day of December, A. D. 1908, duly enter and pay for that certain mining claim or premises, known as the Emma B lode mining claim,

designated by the Surveyor General as Survey No. 17742, embracing a portion of Section fourteen in Township fourteen south of Range sixty-nine west of the Sixth Principal Meridian, in the Cripple Creek Mining District, in the County of Teller, and State of Colorado,

in the District of Lands subject to sale at Pueblo

and bounded, described, and platted as follows, with magnetic variation thirteen degrees east:

Beginning at corner No. 1, a granite stone 30 x 12 x 7 inches, marked 1 - 17742, with mound of stone, from which the west quarter corner of Section fourteen in Township fourteen south of Range sixty-nine west of the Sixth Principal Meridian

Thence, first course, north seventy-one degrees, ten minutes east sixty-five and eight-hundredths feet intersect line 2 - 3 of Survey No. 17563, the Rocky Mountain Sheep No. 2 lode claim, at north eight degrees, thirty minutes west one thousand four hundred twenty-eight and thirty-four-hundredths feet from corner No. 3; three hundred feet to corner No. 2, a granite stone 24 x 15 x 6 inches, marked 2 - 17742, with mound of stone;

Thence, second course, south eight degrees, fifty minutes east one thousand five hundred feet to corner No. 3, in cliff and not established;

Thence, third course, south seventy-one degrees, ten minutes west one hundred fifty feet to a point from which discovery cut bears north eight degrees, fifty minutes west one hundred sixty-five feet distant; two hundred thirty-six and fifty-four-hundredths feet to witness corner to said corner No. 3, a granite rock in place 4 x 2.5 x 2.5 feet above ground, marked X W.C. 3 - 17742, with mound of stone; two hundred forty-six and eighty-one-hundredths feet intersect line 2 - 3 of Survey No. 13851, the Rocky Mountain Sheep No. 1 lode claim, at south six degrees, eleven minutes east seventy-three and eighty-three-hundredths feet from corner No. 3; three hundred feet to corner No. 4, a granite stone 24 x 12 x 5 inches, marked 4 - 17742, with mound of stone;

Thence, fourth course, north eight degrees, fifty minutes west eighty-five and fifty-seven-hundredths feet intersect lines 3 - 4 of said Surveys Nos. 13851 and 17563, at south eighty-three degrees, forty-nine minutes west fifty-five and eighty-six-hundredths feet from corners Nos. 3; one thousand five hundred feet to corner No. 1, the place of beginning, - expressly excepting and excluding from these presents all that portion of the ground hereinbefore described, embraced in said mining claims, or Surveys Nos. 13851 and 17563; and also all that portion of the Emma B. vein or lode and of all veins, lodes, and ledges, throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; said Survey No. 17742 extending one thousand five hundred feet in length along said Emma B vein or lode; the premises herein granted, containing eight and one hundred twenty-one-thousandths acres, more or less:

NOW KNOW YE, That there is therefore hereby granted by the United States unto the said

Frank V. Teter

and to his heirs and assigns, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said

Part B

vein, lode, or ledge, and of all other veins, lodes, and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said Survey No. 17742,

extended downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: *Provided*, That the right of possession to such outside parts of said veins, lodes, or ledges, shall be confined to such portions thereof as lie between vertical planes

drawn downward through the end lines of said Survey No. 17742,

so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: *And provided further*, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging unto the said grantee above named

and to his heirs and assigns forever;

subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

*First*. That the premises hereby granted, with the exception of the surface, may be entered by the proprietor of any other vein, lode, or ledge, the top or apex of which lies outside of the boundary of said granted premises, should the same in its dip be found to penetrate, intersect, or extend into said premises, for the purpose of extracting and removing the ore from such other vein, lode, or ledge.

*Second*. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

*Third*. That in the absence of necessary legislation by Congress, the Legislature of Colorado may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, William H. Taft

President of the United States of America, have caused these letters to be made Patent, and the seal of the General Land Office to be hereunto affixed.

[SEAL]
